ORDER OUR BOOK

Dozens of WISDOM women have shared their faith journeys in a book, Friendship and Faith. The book can be purchased at amazon.com

Invite us!

For a small fee, WISDOM members will visit your congregation, school or organization with a program that is sure to stimulate thought and discussion.

FIVE WOMEN FIVE JOURNEYS: Five women from different faith traditions talk about how their childhood and life experiences got them to where they are today. They also dispel common myths and stereotypes about their faith traditions, and talk about the challenges for women within their faith community.

BOOK SIGNING: A book signing program for WISDOM's new and expanded *Friendship and Faith* edition provides a personal opportunity to meet and converse with at least three authors as they read story excerpts and sign books. The event is adaptable to a variety of venues such as home, business, house of worship, and community center, and may be customized by author faith tradition. The program requires a prior purchase of books.

BOOK DISCUSSION GROUP for WISDOM's new and expanded *Friendship and Faith* edition – This program requires a purchase of books and setting up a mutually agreeable date, time and place for at least 3 authors to participate in your group's discussion of our book. This program, like the Book Signing Program, may be held in a variety of venues and may be customized by author faith tradition.
